

One Connect GOA

*Bringing Healthcare services and Professionals
to every doorstep*

ABOUT US

We are a team of medical doctors working with NGOs and Govt. agencies with support from social leaders who have the plan to make **“One Goa Connect Goa”** a reality.

Accomplishments and activities performed by “RIDIT FOUNDATION” from the date of inception of the NGO.

- Blood Donation camps
- Health Awareness and Disease Screening camps. In conjunction with hospitals and diagnostic labs and imaging services have successfully organized several health camps.
- Free Food Distribution to specially Senior Citizens. Successfully been able to reach out to the senior citizens and deliver food packets more importantly during the covid lockdown times.
- JOB PLACEMENTS Linking the unemployed citizens to various available job opportunity profiles via social media and other related sources.
- Organized Sports activities for fitness and healthy Living. Successfully conducted various sports activities like Trekking, cycling, yoga ... etc
- Adoption of the educational requirements of children. An ongoing sponsorship programme where in the responsibility of educational requirements of children who come from economically low end families.
- Exclusive Covid Pandemic Activities. Delivered Medicines to the covid affected and home quarantined people. Distribution of free Ration to the needy.

One Goa Connect Goa

What is it?

Connecting Hospitals, Healthcare, Professionals and NGOs to serve the people better.

Three Pillar Approach

1. Provide Healthcare to every location.
2. Provide Nutrition to every individual.
3. Provide Post-Covid relief and health recovery of Goans.
